

Friends of the Los Banos Library

We invite you to join or renew your membership for the 2019 year so we can continue to provide growth, support, and stability for our Los Banos Library. Your membership goes a long way by enabling us to continue to grow, fund and support our library.

In past years we've been able to provide activities and programs for children, teens and adults such as the weekly story time readings, literacy tutors and staffing the Veterans Connect Center. We have purchased new tables, chairs and shelving in the children's section; we provided new furniture and computer desks in the adult section. We have provided a collection of classic books, a collection of books on local history and have purchased magazine subscriptions, DVDs, audio books and a new digital projector and screen. Lastly, we have supported the maintenance/upgrade of the interior and exterior of the building.

Future projects will include carpeting, new book shelves and continued support for the many programs the library offers such as the new sensory playgroup for younger children and the Summer Reading Program. We are dedicated to keeping the library up to date with future technological advances.

Please stop by the Library and check out all the benefits and programs that are available to you.
